

2014 O Level Student Testimonials

Wu Qiqi, China, O-Level 2014, Serangoon Garden Junior College, JC 1 (2015)

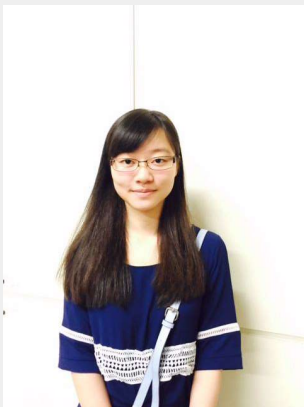

"When I first came to Zhicheng, I felt homesick and couldn't get used to the new and unfamiliar environment. Because of that, I was too shy to talk to the people around me even though I am normally a very outgoing girl. Every day I just wanted to end school early so I could go back to my hostel to rest. However, with the help from the teachers and classmates, I started to talk more. I am really grateful that I have chosen Zhicheng and it has become an unforgettable experience in my life."

Pei Jinling, China, O-Level 2014, Serangoon Garden Junior College, JC 1 (2015)

"I came to Singapore last year (2014) in July and then I studied in Zhicheng Private School (Zhicheng) for the following year's (2015) O-Levels. After being told by Mr Tan that there was an exam for entry into local junior colleges (JCs) called J-PACT, which was held around October, I decided to push myself harder and give it a try.

Honestly, at that time, my English was horrible. Thanks a lot to Mr Gaspar, Ms Chang and Ms Koh, who helped me a great deal. To my surprise, four months later I passed the J-PACT exam."

Ma Jingxi, China, O-Level 2014

"I'd sat for the GCE O-Level examinations once in 2013 but failed the English test. After I decided to retake my English, I was introduced to Zhicheng Private School (Zhicheng).

The teachers and staff there are responsible, and yet kind and friendly to students. My teacher, Mr Gaspar, is the one that I'm most grateful to. He helped me so much by giving me a lot of practice. As the saying goes, "practice makes perfect". I was given continual practice in composition and comprehension, and showed a great improvement on my second time sitting for the exam.

I was surprised when I received the result slip. My English score jumping from E8 to C6 within just a few months was an unbelievable result for me. It has been my pleasure to have a learning journey at Zhicheng. Thank you, Zhicheng."

Hu Yiani, China, O-Level 2014

"At first, when I came to Zhicheng Private School (Zhicheng), my English was not very good, and I could not even understand what my teachers were asking. But my teachers were quite helpful and they were willing to help me handle any problems that I encountered. Hence my English has improved a lot. It used to be unthinkable for me to communicate with a non-Chinese speaker but now I can talk to them with ease.

Regarding how to improve, there are many different approaches. "Practice makes perfect" that's what I believe. I am currently registering for The University of Queensland, The University of Melbourne and The University of Sydney Foundation course. "
