**XU SHUNING, CHINA
AEIS 2014, ORCHID PARK SECONDARY SCHOOL,
SECONDARY 3 (2015)**

"Zhicheng has not only been an enrichment centre which assisted me in passing AEIS and entering a Singapore government school, but also gave me the sense of home where I learnt to grow up and cooperate with my 'siblings' and where I was well-cared for by my 'parents'. Zhicheng is the platform and bridge which connects my past learning experience with my newly begun learning journey; my first steps into the harmonious society of Singapore."

"Zhicheng Private School (Zhicheng) is one of the best schools that I have ever studied in. Because of studying in Zhicheng, I got to continue my studies. The teachers in Zhicheng are experienced, patient, and friendly. Yes, they give us plenty of exercises, but this helps us to learn new vocabulary and simultaneously improves our English, which is very useful when we

get into government schools. Without the help of Zhicheng, I would not have passed my AEIS. Thank you Zhicheng!"
