2017 HAS BEEN A FRUITFUL YEAR.

ZHICHENG OBTAINED 52% PASSES FOR S-AEIS (FEBRUARY) AND 76% PASSES FOR AEIS (SEPTEMBER).

The secret to reaching success is putting in pure effort and persistence.

I failed the test twice and had almost given up. However, the teachers did not give up on me. They encouraged me to keep on going.

Nevertheless, having good teachers is not enough to make one a great student. It comes from you. It requires sheer determination and patience.

I had failed the AEIS once before, I was not eager to fail again. In the end, my hard work paid off, and I got into a government school.

Failure is not something that will last forever. Work hard and believe in yourself.

Mr Gasper taught me a lot of methods for learning English, and I improved a lot through these useful methods.
